**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I fully support all broadband competition for individuals and small businesses. It is the American way. We need to keep our freedoms, our freedom to choose and keep things affordable. Regulations bet out competition and restrict progressive development. A free system is best for everyone.
